

IEEE is pleased to host a

Women in Technology Meetup

Friday, 28 June 2013

5pm – 7pm

Karl Strauss Brewing Company

Open to all women in all areas of technology: computer science, biotech, engineering, electronic devices, power electronics, robotics, IT, and others. Professionals and students welcome! Come meet and network with other leading women technologists and enjoy complimentary food and drinks.

IEEE Women in Engineering (WIE) is the largest international professional organization dedicated to promoting women engineers and scientists and inspiring girls around the world to pursue a career in engineering.

9675 Scranton Road
San Diego, CA 92121

<http://goo.gl/maps/G4Tj>
