SDSU's Benefits Department presents

Lunch and Learn: Open Enrollment Information Sessions

- Event Dates: Wednesday, September 18
 Tuesday, September 24
 Wednesday, October 2
 Wednesday, October 9
- Time: 12:00 pm to 1:00 pm
- Location: Human Resources, Extended Studies Bldg., Room 403

The SDSU Benefits Department will sponsor four “Lunch and Learn” sessions to help you learn about the four new HMO options and 2014 benefit plan design changes that may affect you! Representatives from our various Health Plans will be here on October 9th to answer plan-specific questions.

In addition, the Benefits Team will be available to answer questions you have about a variety of benefits offered to you — i.e. medical, dental, vision, life insurance, voluntary retirement plans, CalPERS retirement, etc.

The Benefits Team will also be available to assist you with making benefit elections and changes on the *e*-Benefits Self-Service system. No more paperwork! Remember to call the BIS Help Desk at 619-594-0899 for your PeopleSoft username and password first.

The workshops will take place from 12PM to 1 PM, in the Extended Studies Center, Room 403. Bring your lunch and join us for one of these informative sessions. Space is limited! **Please RSVP with date of interest to Tanya Vallejo at tvallejo@mail.sdsu.edu or call 619-594-4646.**
