

# COLLEGE OF ENGINEERING **DESIGN DAY**

**MAY 4, 2016 1:30PM - 3:30PM | MONTEZUMA HALL AZTEC STUDENT UNION**

**Please join us** for the annual SDSU College of Engineering's Spring 2016 Design Day showcasing the exciting and innovative design projects that our undergraduate Engineering students completed during the Fall 2015 semester. Each of our Senior Design classes in Aerospace, Civil, Construction & Environmental Engineering, Electrical & Computer Engineering, and Mechanical Engineering will be participating in over 50+ projects on interactive display!

## **DIRECTIONS TO PARKING STRUCTURE 6**

### **From the West**

- 1 • Take I-8 East
- 2 • Exit College Avenue
- 3 • Turn right heading south on College Avenue

### **From the East**

- 1 • Take I-8 West
- 2 • Exit College Avenue
- 3 • Turn left heading south on College Avenue

- 4 • After passing under the second pedestrian bridge, turn left on Zura Way
- 5 • Continue on Zura Way, past the stop sign and turn right into PS 6

Guests can park free of charge at Parking Structure 6 without a permit in parking spaces marked Faculty/Staff or Student on **LEVEL 6 only**.

### **To Aztec Student Union (Montezuma Hall, 2nd Floor)**

Take the west side elevators to level 3 and exit the Parking Structure on the west side. Cross East Campus Drive and walk through the SDSU Residential Community Area. Follow the pathway to the end of the walkway and turn right towards the pedestrian bridge. The pedestrian bridge leads directly into the Aztec Student Union.

Take the stairs or elevator to the 2nd floor of the Aztec Student Union to access Montezuma Hall.
