SDSU College of Engineering Student Council Presents

Aztecs Rock Hunger Engineering Orgs Challenge Sept. 30 – Oct. 22

Our goal: Be the College that raises the most money for Aztecs Rock Hunger!

The Engineering Student Organization that raises the most money will win **food** provided by CESC for their next meeting!

How to Donate

1. Venmo **@AztecsRockHunger2017**

   Put your payment description as **College of Engineering - the Engineering Organization that you are supporting**

2. Aztec Market or Bookstore

   Ask for a receipt, write **College of Engineering - the Engineering Organization that you are supporting** on it, and give it to your **CESC representative**

3. Virtual Food Pantry
   Put **College of Engineering - the Engineering Organization that you are supporting** in the text box underneath "San Diego State University."
