

## Directions to Parking Structure 1 & College of Engineering

### DIRECTIONS TO PARKING STRUCTURE 1

- Take Interstate 8 to the College Avenue exit.
- Travel south off the exit (if you are traveling on I-8 East from west of SDSU you will **turn right onto College Ave**); if you are traveling on I-8 West from east of SDSU, you will **turn left onto College Ave**).
- When you get to the light at Alvarado St. (either the first or second you come to, depending on your freeway exit), you will make a left and then a right into Parking Structure 1.
- Your F/S parking pass allows you to park in any **Faculty/Staff space** in Parking Structure 1. **Faculty/Staff spaces are on Levels 1, 2, 3 & 6** and are marked in **GREEN** on the pavement.
- **Please be sure to display your parking pass on your dashboard**, the parking permits are strictly enforced and tickets issued if permits are not displayed properly.

### DIRECTIONS TO COLLEGE OF ENGINEERING

- After parking, proceed to the pedestrian bridge on Level 6 (there is an elevator at the mid-point of each level). Cross the pedestrian bridge, continue up the stairs to Aztec Circle Drive and follow the **RED dotted line** to the Engineering building.
