Water Interruption

TO: Engineering Building Occupants

FROM: Lewis Hughes
Facilities Services Assistant Director, MEP
760-442-8265

DESCRIPTION: Domestic potable hot & cold water will be interrupted.

REASON: Shut down for new construction.

LOCATION: Hot & cold water serving the entire building will be affected.

START DATE: 12:00 PM Friday, December 23, 2016

END DATE: 2:00 PM Friday, December 23, 2016

SPECIFIC AREAS / EQUIPMENT AFFECTED: Every fixture throughout the building will not have hot or cold water during the interruption. Emergency eyewash stations and emergency showers will be out of service.

CONTACT: Please direct any questions or concerns to Gerald Taitano @ 619-218-3983 Thank you.
