

Computer Repair Agreement

The End User shall be responsible for saving or backing up data contained on any computer that The College of Engineering IT Staff agrees to re-image, repair or service. The College of Engineering IT Staff shall have no responsibility for such data and shall have no liability arising out of the loss of such data. If The College of Engineering IT Staff agrees to save any End User data the allocation of risk is reflected in the price of this service which is provided at no cost to the end user. The College of Engineering IT Staff does not perform any data recovery services and shall not be held liable by anyone for the loss of data, nor will they be liable for indirect, special incidental, consequential, or other damages, however caused, arising out of the re-imaging process, repair or service of the computer and whether or not the End User has been advised of the possibility of such damages.
